PRESIDENT'S MESSAGE

Dear Friends:

The clouds of war still darken the skies of the world but there is a rift in sight. This year we seem a bit nearer the end of fighting. Nations have begun to think of peace. A great world conference on peace is being held on the Pacific Coast this spring. This conference and its conclusions will have an important bearing on the future peace of the world for generations to come.

The real effectiveness and durability of any peace that may come will depend on how far sighted and Christian the conferees are.

Not only in problems of world peace but in all of life's situations Christian education is needed. Christian character and Christian service go hand in hand. I congratulate the old and new students alike on their choice of Pacific as a place to prepare for life and for service.

I shall look forward to meeting the new students and, together with the returning students, we shall work to help build a better world.

With every good wish, I am,

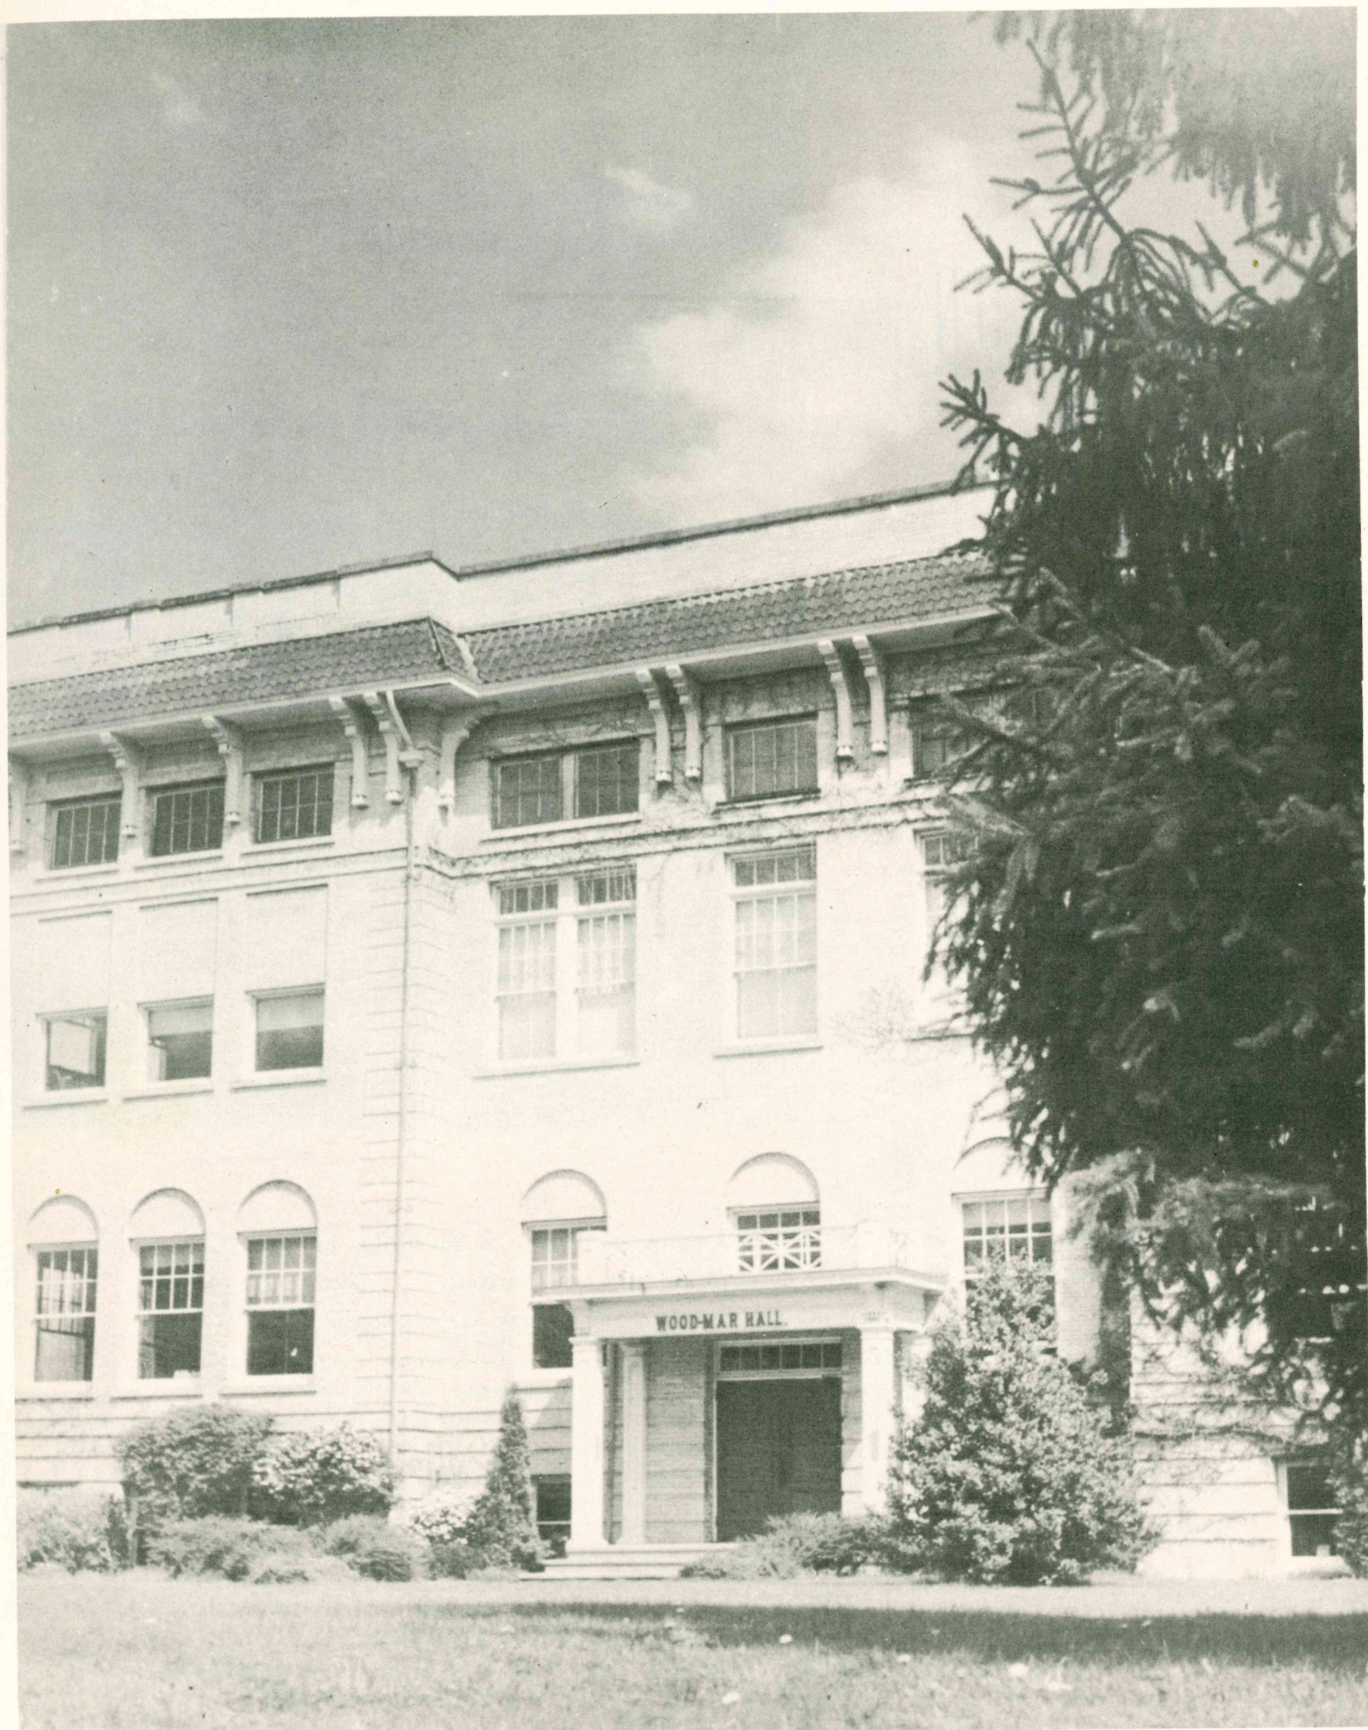

Sincerely,

EMMETT W. GULLEY

DEDICATION

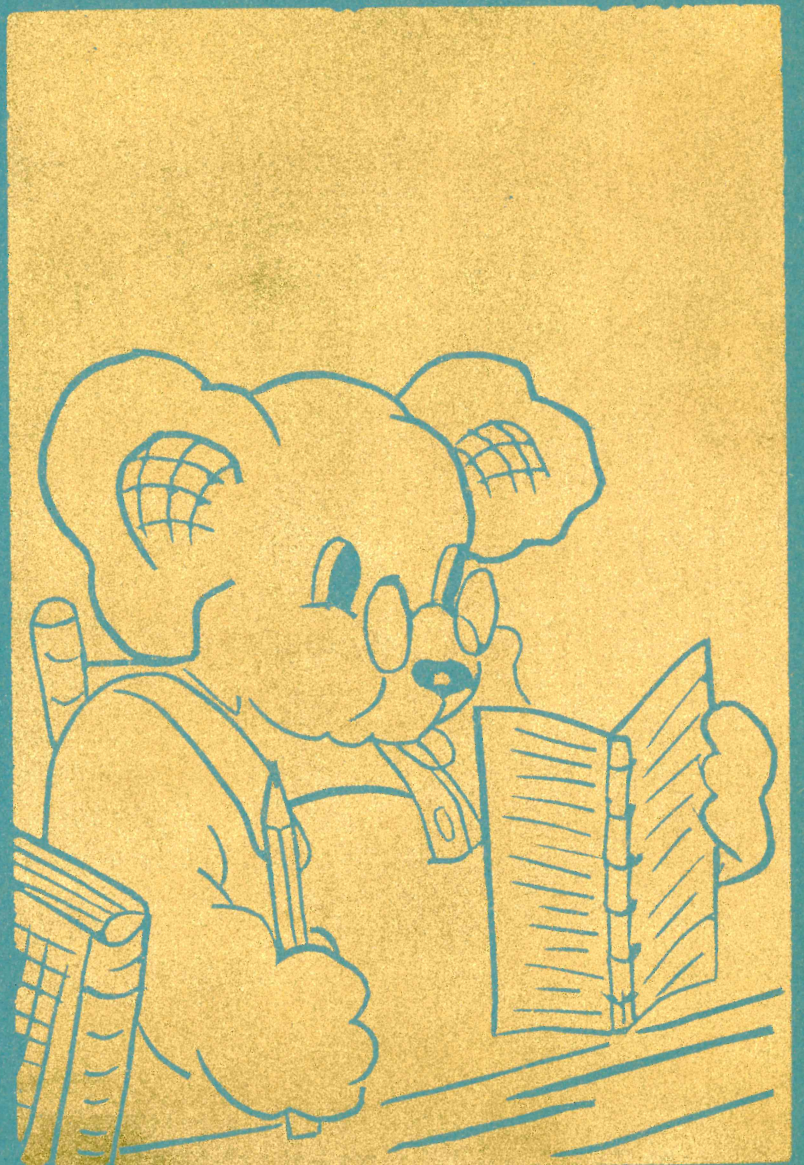

To you, student of life, whose mind has gone deep in a knowledge of God . . .
teacher, whose thoughts are vibrant with truth and interest . . . minister of the
gospel, whose consecration and devotion to a sacred task has blessed all who have
known you . . . a philanthropist . . . a friend . . . a homemaker . . . a servant
. . . to you, Gervas Carey, we dedicate the L'AMI of 1945.
